Billy Dean

“Only Here for a Little While”

“We Just Disagree”

“Billy the Kid”

Don't forget to mark your calendar for the **Founder's BBQ and Auction: July 16th at 6:30 p.m.** at the Hereford ISD Administration Building. Our guest artist, Billy Dean, has a diverse array of musical influences resulting in a unique repertoire and has received numerous awards including The Academy of Country Music's Song of the Year *Somewhere in My Broken Heart*, ACM New Male Vocalist of the Year, and the BMI Pop Awards. You

won't want to miss this opportunity to hear Billy's distinctive voice and artful instrumentals in favorites like "If There Hadn't Been You" and "I Miss Billy the Kid." How often does Hereford host an entertainer with ten top singles and twelve albums?

This year's auction will be a unique mix showcasing well-known local artists as well as some hidden talents. Though there will be some children's items, there will be plenty to tempt the adults in the audience. Karen Abney, as we discovered last year, is a wiz with a paintbrush. This year, she is making a garden delight out of a metal lawn chair previously owned by Charlie Bell. Old style metal lawn chairs are all the rage this year! Callie Hansard is transforming a garden bench into a "must have." Remember Darla Parks' amazing Noah's Ark children's table and chairs of last year? She is making an encore performance, as is the very talented Annie Miller. Christy Smith is going to surprise us with one of her unique pieces. In order to have

more time to enjoy socializing and listening to our guest artist, we are limiting our auction to fewer items this year, so the auction will be short, and definitely sweet!

We hope you will plan on being in Hereford for a great weekend of fun, as well as opportunities to support your community with Relay for Life on Friday and the Founder's BBQ and Auction on Saturday!

"The true source of cheerfulness is benevolence."

Activity News

Wow, is all that comes to mind at this time. What a great month of May! We started out the month by celebrating Mother's Day. We had two great outings to K-Bobs. On the 4th at noon, we took the ladies from Westgate to eat lunch and on the 5th we took the ladies from the Manor that evening to eat. The food as usual is always great. All of the residents and staff can't express enough how much we appreciate the Parson family for their hospitality to us here at King's Manor. On the 6th of May, we had a Tea Party for all the ladies in the facility; we appreciate **Kim Bushart** for coming to share her knowledge of the different kinds of teas she has experienced. The second week of May, we celebrated **National Nursing Home Week**. We started out the week with Hat Day. The ladies at the Manor had some great hats and we thank you for helping us celebrate. On Tuesday, we had a coke float party at Westgate with residents and staff. I always enjoy it when the staff participates. On Wednesday, it was P.J. Day. I don't think I'll do that again- I stayed sleepy all day! That afternoon, we had a great time with the residents and staff at a Cupcake Walk in the Westgate Dining Room. Thursday came and we had a great time with Wheelchair Bingo. We put the numbers in the rooms and we called out the number over the intercom. Then, staff would bring the resident or bring the number to get their prize. Friday afternoon **LeShea Mason** made homemade chocolate chip cookies for residents and staff. They were great! I think after the cookie break we all ran out of fuel. We took our balloons out

to the childcare playground and the toddlers let the balloons go as we said thank you for a great week and a prayer for our facility.

We appreciate Laura, at the Manor, for all that she has been doing for everyone. The homemade do-nuts on the 16th were great. Also, getting out on the patio for refreshments has been very relaxing. The Manor had a great Nacho Party on the 18th. We appreciate the ladies from the Pilot Club for doing the monthly Birthday Party on the 26th at the Manor.

Well, June is here and we are still in high gear. We have a lot of special events planned for both the Manor and Westgate. Please check your calendars for all the special activities planned. They will be highlighted in red. Laura and I have planned some daytime outings in June with the Manor. We will also have **Family Night** on the 16th at 6:00 p.m. in the Lamar Room. I hope that you can attend this as it

ANGELS AMONG US

Our van driver, Rachel Martinez, volunteered to take a resident to Dimmitt to First Baptist Church for a special service honoring widows, she didn't get back until 9:30 pm that evening—still smiling no doubt.

will be a very special event. We are honored to have **Tammie Mercer** for our program that night; she will sing songs of **Patsy Cline's**, and other famous Honky Tonk Girls. We will have a traditional country meal for the evening- fried chicken and all the trimmings. If the families will bring their favorite trimming it would be greatly appreciated. So, wear your boots and jeans and we hope to see ya'll at **Family Night**.

I would like to congratulate all the 2011 Graduates of Hereford High- may you have a blessed year. The Activity Department would like to thank all the volunteers, families, staff and organizations that help us every day here at King's Manor. You are great!

Westgate Dining Room Donors

I have been told that it is never too late to say “thank you” one last time. We are just putting up our permanent Plaque for the Westgate Dining Room addition and want to make sure our information matches your information! Please check the spelling and amounts to ensure it is correct before it is written in stone; call us if it is not.

I would like to take the opportunity of this special addition to do some follow up on your accomplishments. You may remember that the original Westgate Dining Room was so small our residents had to eat in shifts and if family were to join their loved one, they sat scrunched at the corner of the table. After meals, the room was quickly cleaned to ready it for activities. In fact activities had to be planned around the availability of that room. Not anymore!

Because of your generosity, all the residents share a meal together in a bright and spacious environment. Friends and family are welcome anytime and can enjoy their very own seat at the table. Perhaps the very best part though, is after the dining room was complete; the old dining area was converted into an activity center. The activity office is in the back room, the administrator’s office is in the “mirror” room, and what was the main dining room is now a hub of activity all day long. Actually, some residents go in and sit late into the evening; doing puzzles, playing cards or watching TV.

King’s Manor’s residents, staff, and board appreciate your generosity and support in making

these wonderful changes to our facility and in doing so, greatly improving the quality of life within these walls.

The Assisted Living Dining Room Remodel Grand Re-opening May 31, 2011

The Assisted Living Dining Room will re-open for business, in all its glory, on Tuesday, May 31st. The process took a *little* longer than expected, but I think you will understand. All the work was done in-house with the exception of installing the floor and building the chairs! More about our *amazing* Maintenance Department and volunteer Charles Minchew in next month's newsletter.

Larry and Scott have gone above and beyond their usual job description, which is quite strenuous in itself. Give these two a big pat on the back when you see them, because they are the Super-Heroes of King's Manor. We are grateful to BJ and Linda Gililland and Herschel and Ruth Black for their donations toward dining room furniture such that we did not have to *make* the chairs as well. We appreciate all of you who supported the project through the Dessert Auction and gifts.
