

The Garrison House

King's Manor is proud to announce the grand opening of the Garrison House: We invite you to attend an open house on Sunday, April 14, from 1:00 to 4:00 on 434 Sunset. Come enjoy refreshments and see the new face of King's Manor's Independent Living. The first of what we hope to be many garden homes in our retirement living selection. The garden home will be staged by furnishings from Detton's Furniture and Flooring and the patio areas will feature arrangements, potted plants and greenery from Lone Star Home and Garden.

The garden homes are a generous 1900 square feet each including the garage, feature open concept kitchen, dining and living areas, a master bedroom with bathroom and walk in closet, and a guest bedroom with a full bathroom. The homes feature granite counter tops, stainless steel appliances, beautiful stained oak cabinet work, pan ceilings, and ample storage space. They of course will come with all the amenities King's Manor has to offer including, paid utilities, maintenance, housekeeping, transportation, social activities, and the meal of choice in the Manor dining room.

This addition was made possible through the ongoing support of previous Hereford resident and friend of King's Manor, Shirley Garrison. We are very apprecia-

tive of his generosity and pleased to add these new garden homes to our services.

Angels Among Us

King's Manor has a very small employee who has filled some big shoes and also has proven to have a very large set of wings tucked into her scrubs that may not be apparent to all who see her. She started working at King's Manor as an LVN two years ago, and became our Assistant Director of Nursing in December of 2012. She has thrown herself into the position full force and has already shone through her first flu

season and her first annual state survey. She may have been surprised, but undaunted, at the physical demands of her position that include unloading pallet after pallet of medical supplies, moving resident's belongings from one room to another, and the "regular" demands of an LVN in a medical setting. We appreciate our energetic little winged ADON; Marisela Hernandez!

Activity News

In March, Westgate Activity Department started off the beginning of the month with a great celebration; Catherine Enfield turned 106 yrs. old on the 8th. What a blessing to know such a great lady! It seems just like yesterday when Catherine was out running me up and down the halls! (Way to go Catherine!) On the 12th, Childcare attended a cakewalk with the residents of Westgate. This is always so much fun. This month was a busy month for the residents, it's not very often we have two holidays to celebrate in one month. On the 17th, Westgate

residents had great fun at the St. Patrick's party. Thank you, Maria from Activities, for the great party. Also, this month the whole building seemed to be preparing for the annual egg hunt with childcare. Plastic eggs were filled, cupcakes were made, and the Easter Bunny was in route to the Lamar Room for the 28th to hide the eggs, and then the hunt was on. The children are always so precious hunting eggs with the residents and enjoying refreshments afterwards. On the 21st, the Manor went to Casa Abalos to eat that evening. We had twenty people go to eat

and the food and fellowship was wonderful, and we truly appreciate the transportation staff for always being so kind to take us on our outings. I would also like to recognize the Windy Windwehen family for having such a wonderful birthday party for him on the 25th. We enjoyed the wonderful fellowship and cake - Happy 90th birthday Windy, you're the best. The month of April blew in so fast and we have several special events lined up in the Activity Department, so please be sure and check your calendar for upcoming events.

Congratulations Westgate Staff: Job Well Done!

Congratulations on your excellent Survey. Everyone did a wonderful job and the state surveyors were very complimentary of your willingness to work with them. I am so proud of you all and appreciate your hard work. You should feel very good about yourself and work that you do. It is most important that you feel good about the job that you perform and are pleased with the outcome; however, it is nice to hear it from others as well! Thank you for giving your best to our residents.

Samaritan Hospice

April showers bring May flowers; or at least that's what I have always heard. So, that's what my prayer is for this month. I pray that many times this month and in the months to come we will be blessed with the smell, the sound and freshness that only a slow drenching rain from God can bring. Some of my fondest memories of my childhood are thunderstorms. I remember how exciting it was when the hot sun would be covered by clouds and you could feel the difference in the temperature instantly. Then, soon to follow would be the potato wagon rolling thru the sky, then it would come; the slow fresh rain that my brothers and I would run around in with not a care in the world. Those were the days! Reminiscing on the days of the past can bring smiles or tears. But, today I challenge us all to look to today and how we can make our community and world a nicer happier place to be. We all have something we can

share, be it time or even more important, Love! We have so much of it to share and so many that we can share it with. That is what we, at Samaritan, work so hard to do. God has given us all very unique gifts; His intention is that we use them to bless others. He never intended them to be just for personal gain.

I hope you will pray about it and consider sharing your God given gifts with those in need of what only you have to offer them. There is a place for you in our family and I look forward to meeting you and building a relationship that will impact us and our community in such a wonderful way. If this speaks to you or you know of someone that this may fit, **we will be having a volunteer training on Saturday, April 20th from 9:00 a.m. - 4:00 p.m. Please give me a call for more information at 806-626-8467.**

Blessings,
Linda Brito
