

# 35th Annual Founder's BBQ was a Great Success

The 35<sup>th</sup> Annual Founder's Barbeque was a great success due to the wonderful outpouring of support from this community. Once again the intent of our founding fathers was fulfilled such that we will be able to help residents coming to us in need. Not only was the mission accomplished, but we had a "groovy" time doing it! The Beatles tribute band, *A Hard Night's Day* was remarkably authentic from the black cigarette leg pants and the bowl haircuts to the unique sound we all remember. We even had girls screaming in the background to complete the experience!

The event is truly a community effort. We had delicious meat generously donated by Jana and Johnny Trotter, potatoes and onions donated by Brenda and Richard Barrett, beans cooked by our own Scott Ward all eaten on paper goods from Ben E. Keith. Our servers were volunteer staff members and the Seekers Sunday School Class of the FUMC kept the iced tea and lemonade coming. Rosie's potato salad was as delightful as ever. The audience had a special and delightful surprise when Sharon Eytcheson kicked off the concert with a spine tingling version of "God Bless the USA." Johnny Horton of United Country 44 Realty & Auction volunteered his auctioneering talents and did a great job even after making a last minute trip to Oklahoma that morning! Peggy Cooper completed the theme by parking her award winning 1962 Volkswagen in the entrance to ensure the transition into the sixties!

The Founder's Board is to be congratulated for a wonderful event.

## Great Success

(Continued from Page 1)

ning, beginning with Chairman, Jim Steiert and members Sharon Hodges, Shirley Carlson, Donna Warrick, Sharon Eytcheson and Bill Bridge. These individuals work very hard *all year* to make this event successful and also to ensure the funds are used appropriately. They are not only hard-working but downright *cheerful* as they appear at 7:00 a.m. for meetings. Staff members Missy Wilcox, Becky Williams and Brenda Blacksher log many an hour on this project on top of their other responsibilities and are to be commended.

Each year after this event, I am reminded of the goodness and generosity of people and am once again in awe of God's grace.

With a grateful heart,

*Shelley Moss*

# Activity News

July is always a fun filled month all over the King's Manor building. When I think of summer, I think of children playing outside, swimming, and the great taste of all the wonderful foods that come along with the summer month of July. This month at Westgate and the Manor, I think we just about covered all the things that I just described. The residents at Westgate always enjoy the children from childcare, but it seems this summer the kids have participated in so many more events with the residents. They have enjoyed special times together including parties, cook-outs, playing in the water, making crafts and more. I can remember as a child going to my grandparents every summer for a visit and what wonderful memories I came home with. I see more and more grandparents are working now days in the summer months and the intergenerational activities here at King's Manor fulfilling that change. What a wonderful thing to witness. I would like to thank Chris Martinez and Laura Cervantes and the staff at Childcare for working so hard to make sure the residents

and children have had a great summer vacation.

We also were so blessed at the Manor and Westgate to have the children from the Casa Da Llano Children's Camp come in July to let our residents participate in their activities. This was such a wonderful heart filled experience for us all here and I pray that the group will continue to involve us with activities together next summer. I would also like to thank Bill Dufur for the Arm Chair Traveler program he presents every month. What a great time we have visiting National

Parks.

Well, I can't leave out the Founders BBQ held on the 20th. The food, entertainment and fellowship were the best! On our Facebook page, Chris has put a lot of pictures of the BBQ, so please give it a visit. As July has come to an end, the memories of great times for the month will forever remain in our hearts and we look forward to making more in August.

May you all have a great month and please check out our daily activity events and come join us,

Brenda, Chris, and Laura

**Angels Among Us**

July brought many angels among us here at King’s Manor, but we would like to thank one that really went the extra mile. She works really hard to accommodate everyone’s schedule and even, at times, fit someone in who is in desperate need. She spends her week making everyone, residents and staff, feel better. Since she began to work here, she has had two children and helped her husband complete nursing school. She has a very busy life with her job and family, but for another year she has also taken on leading and coordinating her coworkers into the best “Relay for Life” team ever. Kesha Tapia spends the months before the actual event in July attending meetings, setting up monthly fund raisers,

buying, baking, cooking, creating and making sure her teammates are doing their part too. It was another successful year of burrito sales, bake sales and t-shirt sales totaling almost \$2000.00. King’s Manor’s booth won best camp site with its

lights and “Beat It” theme. There were neon yellow t-shirts everywhere. Cancer is a terrible disease that touches everyone in some way. Thank you, Kesha, for leading us in the fight to find a cure. You make King’s Manor proud.
