

## 36th Annual Founder's BBQ

The Saturday night "Up from the Ashes Beach Bash" featured beach balls flying, surfin' songs resonating, and feet stomping. Not to mention some twisting and shimmying in the aisles! The Surf City Allstars delivered an outstanding performance that left those who attended feeling uplifted, and maybe even a little younger! More importantly, the evening fulfilled the promise of the founding members of King's Manor that individuals who have made their home with us, should not be turned away because they have outlived their savings. Independent and assisted living residents will be able to apply to the Benevolence Fund to bridge the cost of care and their income.

The event brought in just over \$61,000 through sponsorships, ticket sales and the silent and live auctions. The residents, staff, board of directors and Founder's board are so grateful for the continued outpouring of support that we have seen for decades, but in particular since the January fire. Multiple Hereford churches were represented on that Saturday night of the Founder's event including the Seekers Sunday School class of the First United Methodist Church who kept the tea and lemonade flowing. The community came together once again to ensure the security of elderly in our community. It was a beautiful sight!

Special commendations to the Founder's Board for their hard

work: President Jim Steiert, Sharon Hodges, Shirley Carlson, Bill Bridge and Kris Dollar. If you can believe, they volunteer to be in our facility at 7:00 a.m. for planning sessions and to review applications for the funds throughout the year. Brenda Blacksher outdid herself once again with magnificent pineapple "palm" trees with fruit monkeys hanging from the trunks. She and Rosie Tijerina and multiple others peeled and cut fruit for hours. The kitchen staff did an amazing job pulling this off despite working in an off-site kitchen! Staff member Becky Williams is on "red-eye" Founder's board roster as well and works year round to ensure the success of the program. Missy Wilcox is our sharp eye and spends hours poring over programs and lists to ensure accuracy. Larry Carlson and his crew had to do some heavy lifting this year and Jim Layman, our CFO, went from "bean counter" to "bean cooker" and did a great job! It takes a team to make this event happen; and it so happens, we have an unbeatable team here at King's Manor!

Of course the auction could not happen without those who generously donate their time, talent and goods for both the silent and live auctions. We are so grateful for all of you who participate in and the auctions and for our generous table sponsors.

God is good. Always,

## Activity News

### Manor News

Wow, is the word I can think of to describe July and how fast it has gone! We had a great time at the BBQ. The music was great, the food was great, and I could go on and on.

Now that August is here and we are seeing the progress being made in the Lamar Room, Manor, and Kitchen (as I stated last month in my newsletter) we will soon be at the finish line all standing together. My friends outside in independent living are still riding the van to Senior Citizens each day for lunch and I have to say that this is the highlight of my day. I so enjoy the fun we have and sometimes wish the van ride was an hour long. Like kids on the school bus together, we enjoy our fellowship. I would like to let everyone know that our van ride would not even be the same without the wonderful staff in transportation making our trip so exciting. They are always participating in making sure that each day everyone has a great and safe trip around the corner to go eat. They are on the run all day with that same smile and giving hearts, so we all just want to say thank you and we love you. The August calendar is still not our usual daily events at the Manor that we are accustomed to in the past, but I would like to remind everyone that we have a great Activity program at Westgate and please feel free to participate in any scheduled event. I have added all the special events to the Manor calendar that I think you will enjoy. I am so glad to know everyone is still playing table games in the afternoon at each other's homes

and having a great time. We also are playing table games after lunch in the Westgate Activity Room, if anyone would like to come over. They usually start after lunch and go all afternoon, so don't feel you have to rush right over after lunch. There are always games going and we are always looking for people to play. Bingo hasn't stopped, just moved to Mondays at 3:00 p.m. We have a great group in the Activity Room of Westgate. I pray we all have a great month of August and can't wait to see you on the van. Below I have written something that has been put on my heart for all staff and residents to read. I hope you enjoy the article. I know I thank God for revealing this to me throughout our adventures in the past few months.

### “What Does Passion Mean to You?”

This is the Question that has been going over and over in my mind for the past few weeks and I didn't understand why this was being put on my heart until last Wednesday after I had a conversation with a friend, and then all the pieces and events came to gather in my mind on what God was trying to tell me. We all have a different Passion for things and mine is different than yours. Sometimes our trials in life create this passion. For example, I have a higher Passion for people that have any form of tremors do to my battle with Essential Tremors this year. At first, I was mad because

my mother has had it for years, but it created a deeper love and understanding of her battles. Then, we have another Passion - the one for our Job. This is the quote I read, “If you have Passion for your Job, it's not Work.” This is so true and as soon as I read that I instantly knew who that reminded me of here at work. I will reveal that to you later because I think you will figure it out before I tell you. As staff here at King's Manor, we all have a different Passion or we would all be Nurses, Hospice Workers, Activity Staff, and Kitchen Staff. I could go on but, you know what I mean. And I truly believe we are where we are supposed to be. If we haven't had a few trials to create this Passion we wouldn't be able to understand other's needs. Sometimes, it takes us a long time to understand another person's passion, and don't until we experience what they have gone through. We have a great person in this facility that is a strong foundation for us all. Not just a friend, but a leader. The Passion this person has for King's Manor is so deep in her heart that she never says no to helping any department or any individual at any given time. Every year at the BBQ, I see her put more than 100% of her heart toward this cause. I do not know what created her Passion or when it started for her, but after years of working with her and working at King's Manor, I understand this Passion and so do many other staff that work here with her. Please note: that she will probably get mad at me because she does not take any glory in the

*(Continued on Page 5)*

**“What Does Passion Mean to You?”**

*(Continued from Page 4)*

good deeds she does, but nevertheless I will continue. I am in constant amazement of this facility and the people I work with. How blessed I am to be here. Sometimes, I think that people think I am half off because I have always enjoyed being happy. I try to be the same with everyone I work with, no matter who you are or what department you're in. This is one of my Passions. I guess out of all this going on in my heart is that we sometimes don't always see why people are the way they are until we experience their circumstance, and sometimes we don't want to experience that but we might. It all boils down to if you have a Passion for what you are doing in Life, your days sure do go by fast. So, as a co-worker or a friend, I will promise to try harder to understand what your Passions are and pray that God will direct me in the right path of understanding. So, Shelly Moss, please receive how much we all love you and appreciate you and truly admire your Passion for King's Manor. We pray that this year continues to be blessed, as it was at the BBQ by so many people and giving hearts, such as yours.

Sincerely,  
Your staff and friends

**Westgate News**

July was a very busy month. During the month, we enjoyed Patriotic Jell-O, men's supper club, 4th of July cook-out in gazebo, birthday party, national sugar cookie day, crafts with Casa De Llano Kids Camp, pudding party,

trip to the park, travelogue, arm chair traveler, coke floats, and the Founder's Barbeque. The Founder's Barbeque was a successful and great event. Thank you every one for their wonderful support.

Special activities taking place in August are as follows: the 5th birthday party w/childcare, the 6th sing-a-long w/Linda, the 7th cooking class, the 14th remembering Elvis Presley, the 15th carnival w/childcare, the 20th bakery breads, the 21st arm chair traveler, 27th ice-cream sandwich, and the 31st trail mix snacks.

August is the start of another school year and our residents are thinking about their grandchildren going back to school.

Grandchildren are the crowning glory of the aged. (Proverbs 17:6) A grandchild is a gift from above... one to cherish and to love.

**A PRAYER**

**FOR BACK TO SCHOOL**

Dear God, Thank you for the gift of children. Please watch over the children as they go back to school this year. Keep them safe every day. Help them to remember that you are right there with them in the halls and classrooms. Help them soak

up good knowledge and to dismiss any negative or worldly messages they may hear. Help them treat others with kindness and respect, and to guard their hearts with the armor of Your Word. Give them joy and peace as they put their trust in you. Amen.

Wishing everyone a wonderful month in August!
