

## It's Here! 37<sup>th</sup> Annual Founder's Barbeque Saturday, July 11, 2015 Featuring: Under the Streetlamp

Now is the time to finalize your plans to come to the 37<sup>th</sup> annual Founder's Barbeque. Call or come by King's Manor and reserve your sponsorship or buy your tickets now! If you haven't done it yet, look up *Under the Streetlamp* performing on PBS at: [https://www.youtube.com/watch?v=pxY\\_sJibrD8](https://www.youtube.com/watch?v=pxY_sJibrD8). These guys are big time; the caliber of show you see in Las Vegas. As a matter of fact, they will have just done a show at the MGM Grand in Vegas before coming to Hereford, Texas to perform their own unique blend of tight harmonies and slick dance moves to your favorite Doo-wop, Motown, and old time Rock and Roll hits. They are composed of recent leading cast members of the Tony-award winning sensation Jersey Boys. If you liked the Diamonds, you will love these guys! Take advantage of the rare opportunity to come to a world class act in your hometown.

A shopper will be hard-pressed not to find *something* they need, or want, between the live and silent actions. I personally have my eye on this Groundwork dump wagon that will haul 1400 pounds of dirt, gravel, mulch, (or kids) around the lawn. If lawn care is not your cup of tea, maybe grilling is. Come bid on a Traeger Wood Pellet Grill to add to your backyard man cave.

Football fans need to be sure and come out for a couple of great opportunities. KPAN has donated four

tickets to a yet to be announced Texas Tech football game. And thanks to Bill Bridge, we are offering a one of a kind football package for two. You and a buddy can spend *Game Day with the WT Buffaloes*, have lunch with them, watch the team prepare for the big game, hear the halftime speech in the locker room and watch the game from the side-line in your WT Jersey. What a perfect father and son day that would be! If you have newlyweds in your family, they surely need the "Tim the Tool Man's" dream come true, a yard owner's collection of a self-propelled lawn mower, gas weed-eater, cordless trimmer and edger, and Tim's personal favorite,

a chain saw! These gas operated tools of the trade even come with True Fuel pre-mixed fuel for two-cycle engines--a case contains six cans courtesy of Goodin Fuels.

Ladies, don't be worried. You will find Kendra Scott and Michael Kors at the auction calling your name. The silent auction will boast Sharon Hodges "Grandmother's Survival Kit" sure to entertain your grandkids the rest of the summer and some unique decorating items. Trust me; there is something for everyone this year!

Though we plan to have a good time with music and fellowship, we also know that the funds are raised

*(Continued on page 2)*

# 37<sup>th</sup> Annual Founder's Barbeque

(Continued from page 1)

to fulfill a mission at the heart of this organization. The mission is to care for the elderly through the healing hands of Christ. But the Founder's wanted those who made King's Manor their home, to not have to leave it because they have outlived their savings. The Benevolence Fund not only helps those who's savings suddenly fall short, but provides peace of mind to our residents, knowing that they always have a home. Thank you for supporting our mission of care and community.

Sincerely,

*Shelly Moss*

### CONCERNS?????

If you or your family member has a concern, problem, or grievance and you would like to have it formally written and presented, there are Grievance forms available for anyone on the table in the Westgate Activity Room. You may also come speak to Joanna Kluck, the Administrator for Westgate and your concern will be addressed. We want you and your family to be happy. As the old saying goes, "if we don't know it is broken, we certainly can't fix it!" Thank you for allowing us to care for such wonderful people. We want their experience to be just as good.

**Game Day with the WT Buffaloes for Two**

Spend a game day with the Buff's this fall. See the warmup, watch the game from the sidelines, hear the halftime speech in the locker room and pat their backs at the end of the game.

### Tim the Tool Man's Power Tool Dream:

Honda self-propelled Lawn mower, and Stihl Gas powered Edger, Trimer, Leaf Blower, and yes, a Chainsaw - Becky Williams trying on the chainsaw for size.

**Traeger Wood Pellet Grill**  
Donated by Max Moss

**Deluxe Garden Dump Truck**  
filled with gardening tools and accessories.

## Manor News

Well, summer is here and I am so thankful for all the rain we have been getting this year. While driving home from Amarillo the other night, it was so amazing to see the green countryside. I can't remember this kind of scenery in years.

On the 19th, we had our first cook-out in the gazebo. We have tried several times, but due to the rain we haven't been able to eat outside. However, that was okay with us, just let it rain! We had a wonderful time enjoying the great food, fellowship, and the beauty of the gazebo area. Chris and Bertha decorated for the Father's Day Cook Out with tie decorations around the top part of the gazebo and balloons lining the walk way. The burgers and hotdogs were cooked by the maintenance team and were great as always. All the dads were presented with a big colorful tie made by Chris and Bertha. What a great idea!

At the Manor, we have been busy little bees. When I say little bees, I'm referring to the residents working on giant white flowers for the table decorations for the Founders BBQ. These ladies amaze me. I thought this would be an on and off activity for all month and they finished them in three days! Thank you with all my heart Mary McFarling, Teresa Paetzold, Erma Barnhill, and Jeanie Caison. You are the fastest working bees I know.

June the 18th was a special day for many of our residents that live here at the Manor. The Hereford High School Graduating Class of 1942 got together to reminisce. We had a special luncheon for the class members in the Manor Dining Room with a reception following in the Lamar Room. It was so nice to hear the stories they had to share. How nice it is that they are all still in contact with one another. This class has a bond that is stronger than any I have ever seen. The stories they have to tell about Hereford and how it use to be over ninety years ago, as well as the changes they have seen through-

## Activity News

out the years is so amazing to me. I would like to Thank Seletta Gholson for her help in organizing this event. I look forward to having another one next year for everyone.

As I mentioned, we kicked started father's day with the great cook out on the 19th. On Father's Day, Sunday the 21st, their day was started with a wonderful church service directed by our Pastor, Dennis Latham. Following the church service, our kitchen served a wonderful meal. Later that afternoon, the Church of Christ members provided the evening meal along with worship and fellowship. The residents certainly enjoyed the day.

We have many special events planned for July. To begin our 4th of July celebrations, we will have another Cook Out in the gazebo on July 2nd. The Rotary Club will be cooking for us that day. We so appreciate the volunteers in Hereford. On the 9th, we will be having a Watermelon party in the Manor Dining Room for the residents, so come join us and have a great time. **On the 11th, we are having our Annual Founders BBQ at the HISD Administration Building at 6:30p.m.** This is always a great time with wonderful food, fun, and music.

I have several special events planned throughout the month, so please be sure and check your Manor calendar for daily scheduled activities. I hope everyone has a great summer and I look forward to seeing you at the BBQ.

Brenda Blacksher/Activity Dir.

## Westgate News

We had a very busy and wonderful month in June. Summer is here and the residents are enjoying ice-cream, sno-cone parties, and patio outings. We started the month of July with a July cook-out; we scheduled a patriotic Jello party that same afternoon.

The following activities will be held in July: on the 7th a birthday party with childcare, the 8th sno-cones,

the 9th is National Sugar Cookie Day, 11th Founder's Barbeque, 14th a Sock-Hop Lunch, Shake Rattle & Roll in the afternoon, 23rd National Vanilla Ice-cream Day, 24th Bakery Breads, and we will end the month with a National Cheese Cake day on the 30th. Thank you to maintenance dept., dietary dept., clubs, and staff for helping with our summer cook-outs. We also want to thank all the volunteers for visiting the residents here at Westgate. We wish everyone a wonderful and great summer!

## A Fourth of July Prayer

Dear Lord,

There is no greater feeling of liberation than to experience this freedom from sin and death that you have provided for us through *Jesus Christ*. Today our hearts and our souls are free to praise you. For this we are very thankful.

On this Independence Day, we are reminded of all those who have sacrificed for our freedom, following the example of your Son, Jesus Christ. Let us not take our freedom, both physical and spiritual, for granted. May we always remember that our freedom was purchased with a very high price. Our freedom cost others their very lives.

Lord, today, bless those who have served and continue to give their lives for our freedom. With favor and bounty meet their needs and watch over their families.

Help us to live our life in a way that glorifies you, Lord. Give us the strength to be a blessing in someone else's life today, and grant us the opportunity to lead others into the freedom that can be found in knowing Christ. In Jesus name we pray, Amen.

Wishing everyone a safe and Happy 4th of July,

Chris & Bertha  
W.G. Activities

## Home Health News

I was talking with one of our home health clients and ask her and her family to give me a review of what lead up to her needing our service and what all occurred after we started coming to her home.

She told me that due to having been hospitalized for a total knee replacement that her physician suggested that she think about having a home care agency come check on her after her dismissal. She had heard of King's Manor Home Health from a friend that had been on our service.

We received a call from a discharge planner at one of the hospitals in Amarillo. They were informing us of a referral about a patient that lived in Hereford and was completing her rehab for a left total knee replacement. Her physician had written an order for home health to perform skilled nursing, physical therapy, and a certified nurse aide to follow her at home. The discharge planner said that the patient had asked for King's Manor Home Health.

Our admission RN took the referral information and called the client to make an appointment to do an initial assessment visit. The client told me the skilled nurse came to her home and explained what the plan of care would consist of and that her physician had sent orders to the agency of what needed to be done.

The plan of care included: a skilled nurse, RN or LVN come into the home three times a week for eight weeks. A physical therapist would come in three times a week for eight weeks and a certified nurse aide would come in three times a week to assist with activities of daily living.

When the nurse would do their visit they would do an assessment of the body's systems which would include: checking vital signs, blood pressure, pulse, and temperature. Along with observing the healing of the wound on the left knee and notice any swelling at the sight and of the leg in general to note any unusual pain or clots that might

form. A list of the client's medicines was completed on the initial visit and each time the nurse would teach about the medications and would check and fill the pill box to be sure they were being taken at the correct time. The nurse would answer any questions about the overall condition of the client's health and relay any changes to her physician.

When the physical therapist made their visit they would assist with exercises on the new left knee and help and instruct the correct way to use a walker. The therapist would check and make sure the constant motion machine was being used correctly. They would review the amount of time it was being used and the amount of tension it was set on. The physician had ordered an ice machine with a sleeve that wrapped around the knee to decrease any swelling and discomfort. The client's husband reassured the therapist that the frozen water bottles were replenished every four hours to keep it cold.

The certified nurse aide, (CNA) would visit and check the vital signs; help with the shower, aide in getting the client dressed and do some light house-keeping which included changing the linens on the bed, emptying the trash, and preparing a meal if it was needed.

The client told me she and her husband had no idea how they would have been able to handle all the things that occurred by themselves over the eight weeks of her recovery. She was so thankful to have been able to reside in her home and regaining her strength while keeping her independence.

If you or someone you know might need home care services, please feel free to give us a call at King's Manor Home Health. Our number is 363-6085 or drop by the Atrium at 425 N. Main, Suite E.

Blessings to You and Yours
