**39<sup>th</sup> Annual Founder's Barbeque and Auction**

Saturday, July 15, 2017

*Proudly Presenting: Larry Gatlin*

The Founder's Board has been waiting on Larry to be available for two long years and the time is now! Mr. Larry Gatlin will be here to entertain us and perhaps make us think a little as well. Get ready to be serenaded with hits like *All the Gold in California*, and *Broken Lady*. He will also grace us with some of his Gospel hits like, *Amazing Grace*, *Help Me*, *Rock of Ages* and more.

While we are excited for an evening of delicious food and wonderful entertainment, we remember the purpose of the event is to raise funds for the benevolent care of our residents. In keeping with the wishes of our original Founder's, individuals living in Retirement or Assisted Living who spend their savings while in King's Manor's care are able to apply for a Benevolent Grant after a minimum of one year in residence. We have multiple residents who have been part of King's Manor's family for more than 10 years. It is not difficult to imagine that even with the best of planning, the most frugal individual could run out of savings while they still need care. Founder's Board members Jim Steiert and Kris Dollar have worked very hard, with the support of the rest of the board, to rewrite and bring the Founder's by-laws up to date.

We would like to welcome new members Brenda Paschel and David Fanning to our existing Board: Jim Steiert, Sharon Hodges, Bill Bridge, Shirley Carlson and Kris

Dollar. Our Founder's Board has worked very hard this year to present a delightful evening.

**FERAL HOG HUNT  
CEDAR RIDGE  
AVIATION  
KNOX CITY, TEXAS**

Guys or girls, get your camo ready and packed for the outdoor adventure of a lifetime! The grand finale of this year's auction is going to be a trip for two to feral hog country: Knox City, Texas. This mini-vacation involves a quick scenic drive to Knox City on the date of your choice, a steak dinner and an overnight stay at the Tusks and Tines Outfitters full service hunting lodge. The next morning you will have a brief safety class and subsequently handed a custom Black Rain Ordnance AR-15 with EO tech sights and .223 ammo. Then, the moment you have been waiting for: you and your buddy will board either an R22 or R44 helicopter for a two hour Rambo-like ride with the sole purpose of shooting as many menacing feral hogs and you can get! Statistics show that 70% of the feral hog population must be culled in order to stabilize the population. Ranchers are wanting to be rid of these worrisome and destructive critters. After your "work" is done, you will be served a big rancher's breakfast. Don't miss the opportunity to bid on this opportunity for adventure!

### Rather have a loaded purse than a loaded Gun? Here is the deal for you!

**Two rooms, for two nights at a bed and breakfast, a gas card, and a "backstage pass" behind the scene tour by one of Chip and Joanna Gaines' insiders.**

## Gatlin:

*(Continued from Page 1)*

Larry Gatlin was born in 1948 in Seminole, Texas, the son of a driller in the oil field. The oldest of the three Gatlin brothers, he was by age seven, already accompanying younger brothers, Steve and Rudy in singing at family and church events.

After high school, Larry went to the University of Houston on a football scholarship. Larry majored in English and developed "a love affair with the English Language" that later served him well in his songwriting.

On the strength of his songwriting talents, Larry Gatlin became known throughout the Nashville music industry. While Steve and Rudy were finishing college, Larry was already touring the small club and listening room circuit as a solo act, looking forward to the time when he could afford to expand his live show to include his brothers.

From 1976 to 1992 the brothers toured extensively throughout the United States, Canada and overseas. They racked up hit after hit and banked some of the most prestigious awards in the industry. Larry penned every Gatlin Brothers hit you've ever heard. Larry Gatlin has written songs that were later recorded by Elvis Presley, Glen Campbell, Barbra Streisand, Johnny Cash, Kris Kristofferson, Charlie Rich, Johnny Mathis, Dottie West and many more. December of 1992 marked a farewell to concert touring for the Gatlin Brothers as they completed their ADIOS TOUR with a CD of the same name. Then came a major turning point in his career. Larry

## Manor News

With May gone and June here, I feel as if I blinked my eyes and the month of May was gone. We had good attendance with the Balance Class exercises on Wednesdays, and we will continue to have them every Wednesday at 3:00 p.m. in June. We had a great turnout at the **Mother's Day Tea** on the 12th, with conversations of past memories as we enjoyed great refreshments. We all had a very lovely time.

On the 17th, we had a great time at Westgate celebrating *National Nursing Home Week*. The staff and residents participated in the parade at Westgate that morning. We made a float out of a red wagon, and the residents decorated their wheelchairs and walkers. It was so much fun, and I look forward to next year's parade.

In June, we will be diligently working on Founder's decorations in the Lamar Room every Tuesday at 3:00 p.m., so if you enjoy crafts, we would love to have you in our group. On the 7th of June, we will be having a facility-wide **Sock Hop Day**. Please come dressed for the day. We will have fun at lunch, and at 3:00 p.m., we will Chair Dance to soda shop music during the Exercise Class. On the 29th, we will have a **Pizza Party** in the Dining Room at 5:00 p.m. and then table games following in the Lamar Room. I would like to wish all our fathers a Happy Father's Day.

I pray you all have a great summer and look forward to seeing you all in July at the Founder's BBQ.

Many blessings,

**Brenda Blacksher**

### A Father's Day Prayer

*God,*

*Bless all the fathers in the world. Father, we ask that You guide them to be good role models and loving to their children. We also ask that You help them to be a father like You are. Give them grace and patience to handle situations in a loving way.*

*Amen*

## The Sunset Street Homes

**The Shoffit House and the Herschel and Ruth Black Family House being wonderfully constructed by Raul Pesina are in the finishing stages. All the homes need are flooring, paint and front doors; sprinkler system installation; and lawn and landscaping. We are hoping to open the homes for rent sometime in mid July.**

# Saying Goodbye to Joanne Kluck, LNHA

We are sorry to have to announce that, Joanna Kluck, the Westgate Administrator, is leaving us. Joanna came to us from Tennessee in part to be closer to her children, who live in Texas. Now she has been offered an opportunity at a home in Sherman, which is much closer to her daughter and grandchildren. Joanna hit the floor running when she arrived: she fulfilled the requirements of the Affordable Care Act in implementing our electronic medical records system, Point Click Care. Getting all the staff in the building trained was quite an accomplishment. Some of us still miss good old fashioned paper, but we are coming around!

No sooner than Joanna had completed her last training, she introduced a new program for our residents: Music and Memory. Being a member of the Hereford Rotary, she educated them on the benefits of the music program and

**Joanna Kluck as Mac and Cheese: A prime example of Joanna's enthusiasm!**

they funded the initial startup of the program. Many of you have generously assisted since then, in en-

suring any resident who would like a personalized iPod – has one! The residents love having their favorite tunes at their fingertips and it has truly impacted many in a positive way.

Joanna has also become our in-house personalizer. It just hit me that she will take her talent of vinyl cutting with her as well! She has labeled T-shirts and put logos on cups and created all kinds of wonders with her little Cricut Vinyl Cutter.

Joanna has contributed too much to list here, but we can say that we will miss her bright smile and contagious energy. Joanna's last day of work will be June 9<sup>th</sup> so please go by her office and wish her well. We will have a little send off for her on the day of Westgate's sock hop: Wednesday,

June 7<sup>th</sup> at 3:00 in the Westgate Dining Room. Come enjoy a root-beer float and wish Joanna best of luck!

## Gatlin:

took the lead role on Broadway in the Tony Award-winning musical "The Will Rogers Follies." The musical then toured throughout the nation to rave reviews.

Throughout the next decade Larry would go on to write an autobiography, *All the Gold in California*, record a solo album, *In My*

*Life*, and would occasionally tour solo.

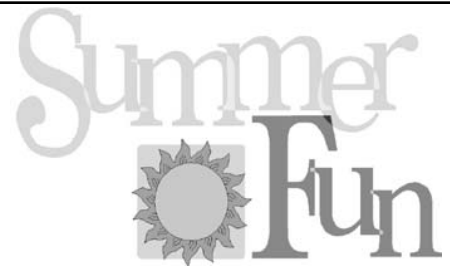

In the early 2000's the brothers reunited for select tour dates and, in 2008, recorded their first album in nearly two decades, *Pilgrimage*. In 2015, the brothers celebrated 60 years of making music together and released a new album, *The*

*Gospel According to Gatlin*.

Larry currently resides in Nashville with the love of his life, Janis, to whom he's been married for over 44 years. They are the proud parents of two children, Josh and Kristin. He is also "Papa" to Kristin's daughters, Parker and Campbell.
